*The light shines in the darkness. **John 1:5a***

One day in route to West Palm Beach, I asked God to guide me to the safest road. I was “inspired” to drive south on U.S.1. As I drove over the North Palm Beach bridge, my car unexpectedly decelerated and nearly stopped. I was terrified that a car would hit me, so I prayed for the Lord’s help. Within seconds, a policeman’s flashing car lights were in my rearview mirror.

God sent me an angel! “Let light shine out of darkness.” (2 Corinthians 4:6)

Officer Lopez blocked oncoming cars, allowing me to safely park my disabled car on the sidewalk near the bridge in the last parking place! God also provided me with a cell phone, roadside assistance and even a bottle of water in 90 degree heat.

*Thank You, God, for Your light and for Your Word: “For God who said, ‘Let light shine out of darkness,’ made His light shine in our hearts to give us light of the knowledge of the glory of God in the face of Christ.” Amen.*
