## *Family Activity*

### **Read Luke 2:1-20 and Take a “Star Walk”**

Plan to walk in the neighborhood or on the beach to look at the stars and ask some wondering questions. The questions could be:

“I wonder how Mary and Joseph felt on that long walk from Nazareth to Bethlehem?”

“I wonder if they traveled at night?”

“Did they look up at the stars and wonder too?”

“I wonder what it was like for the shepherds in the fields?”

“Were they bored?”

“Were they afraid on dark nights?”

“What was it like for the kings to follow the star to find the Christ child?”

You may also come up with some questions of your own to ask while you walk. Just set apart the time to ponder some of the questions of the coming of the Messiah and what it was like then, and how they may impact your life today.
