

Curriculum

A three-pronged Developmental Readiness Program with low staff/student ratios is offered for all age groups.

Spiritual, Emotional & Social

Bible activities, and weekly Chapel for all classes encourage children to grow in faith and to develop responsible Christian behaviors. In all classes, our teachers, by example and through curriculum and supportive relationships with the children encourage them to:

- See themselves as secure children of God
- Respond to God's love by being concerned for and compassionate to others
- Develop a respect for and desire to protect and care for God's creations

Cognitive

A developmental readiness program based on the Creative Hands-On Curriculum recommended by the National Association for the Education of Young Children, combined with Work Jobs, encourages the children to develop skills needed for success in Kindergarten.

Physical

Both large and small muscle coordination are developed through the age appropriate activities in the classroom and on the playground.
